

## Run Wild with the Museum

The El Campo Museum is planning our 9th Annual Run Wild 5K Color Roar! The 5K Fun Run will be on October 1, 2016. Last year's event was wildly successful and we have set our goal for this year much higher. With the proceeds from this year's Run Wild Color Roar, we will be able to continue our Growth and Revitalization Project as we move into the Seashell Room. The El Campo Museum depends on your generous donations to facilitate this growth. Without community donations such as yours, this would not be possible.

We are offering several different levels of sponsorships this year. The Silver, Gold, Platinum and Diamond level sponsorships will be recognized at the event, in our advertising, by social media, in our e-newsletter and on the back of the t-shirts participants will receive.

Again this year, we are offering Mile Marker Sponsorships. Each mile of the race route will have a sign letting runners/walkers how far they have gone in the race. Sponsors for the mile markers will be posted on the sign, or they may wish to provide a logo banner for display. "Decorate" your mile however you like! There are only 3 mile marker sponsorships available.

Again we thank you for your support; our event and the Museum could not grow without you.

Sincerely,

Andrea Wallis  
Board President, El Campo Museum of Natural History
